

Coloma Convent Girls' School

Year 7 Admissions Policy

September 2018/19

Approved by:

Board of Governors - 7th December 2016

Coloma Convent Girls' School is a voluntary aided, all-ability, Catholic school for girls. The Governing Body, acting through its Admissions Committee, intend to admit a maximum of 150 pupils each year at age 11, without regard to aptitude or ability. The school is conducted as a Catholic school in accordance with the Code of Canon Law promulgated by the Apostolic See and teachings of the Catholic Church, and in accordance with the Deed of Incorporation of the Congregation of the Daughters of Mary and Joseph.

In this Policy the term "**Candidate**" refers to the girl for whom a place at Coloma is being sought; "**Applicant**" refers to the parent or carer of the Candidate. The expression 'Roman Catholic girl' means girls who have been baptised or received into the Roman Catholic Church or into another Church that is in full communion with the See of Rome and daughters of members of the Ordinariate. (See Appendix 1).

Coloma welcomes applications from throughout the community, regardless of faith or background, where the Applicant supports Coloma's ethos and aims.

Applicants need to be aware that Coloma is a heavily over-subscribed school. The school received 400 applications from Catholic Candidates for entry in September 2017.

Where applications exceed the number of places available, after allowing for places allocated to children with an Education, Health and Care Plan (EHCP) naming the school, or who the Admissions Committee reasonably believes will receive such a statement before 1st September in the year of intended admission, consideration will be given only to Applicants who include the school in their list of preferences on the Local Authority "Transfer from Primary to Secondary School" form.

The Governors will offer places using the following categories in the order stated:-

1. Looked after Catholic girls or looked after girls in the care of Catholic families and previously looked after Catholic girls who have been adopted.
2. Baptised Catholic girls. Evidence of Baptism will be required.
3. Girls enrolled in the catechumenate. Evidence of enrolment in the catechumenate will be required.
4. Other looked after girls and other previously looked after girls who have been adopted.
5. Girls who are members of Eastern Orthodox Churches. Evidence of Baptism will be required.
6. Girls of families who are members of other Christian denominations that are part of Churches Together in England. Evidence of Baptism (or dedication) provided by a priest or minister of a designated place of worship will be required.
7. Girls who are members of other faiths. Evidence of membership of the faith provided by a priest, minister or religious leader of a designated place of worship will be required.
8. Any other girls.

The following order of priorities will be applied when applications within any of the above categories exceed the places available and it is necessary to decide between applications.

- A. Girls for whom there are medical or other special reasons why the School is the only reasonably available suitable School. Supporting evidence from an appropriate professional person such as a doctor, social worker or educational welfare officer must be supplied at the time of application. Although the Admissions Committee may, at its discretion, make enquiries to satisfy itself as to the matters referred to in the material supplied, it will not be required to make any independent investigation.
- B. Girls whose Sibling at the time of application is a pupil at the School who entered Coloma before year 12 and who will be attending the School at the time of the Candidate's admission. If the Candidate will have a Sibling at the School at the time of the Candidate's admission, it is important that the Sibling's details are included in Section D of the Supplementary Information Form. (See Appendix 2: Definition of Sibling).
- C. For Category 2 above: Girls ranked according to the Candidate's and Applicant's Catholic religious practice; that ranking will determine the order in which offers are made. Appendix 4 sets out details of the system used to facilitate the ranking of Candidates.

Explanatory Note

In order to determine the required ranking, the information provided on the Supplementary Information Form, together with the information on Mass attendance provided by the priest nominated by the Applicant (which information the Applicant will both request from the priest and supply to the school) will be assessed in the following areas:

- The Candidate's and Applicant's Mass attendance.
- The Candidate's age at Baptism
- The Candidate's First Communion.

(See Appendix 3: Notes on Catholic Practice).

Tie-Break (for all categories)

Where there is more than one Candidate having an equal ranking based on the above, the Candidates will be ranked according to proximity to the School of the Candidate's home with the nearer Candidate(s) being ranked higher. The distance used will be that supplied by Croydon Local Authority. In the event that the distances are the same for two or more candidates the order of ranking will be determined by random selection independently scrutinised.

Applications received after the closing date will be dealt with in accordance with the above over-subscription criteria and with the London Borough of Croydon Co-ordinated Scheme Policy on late applications.

Admission of children outside their normal age group

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions on whether to offer a place outside of a child's chronological year group will be made by the governors on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parents' views; views of the Headteacher, information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group. Applicants must state clearly why they feel admission to a different year group is in the child's best interest and provide what evidence they have to support this.

Withdrawal of Offer

The Admissions Committee reserves the right to seek independent verification of any information supplied by Applicants on the Supplementary Information Form and to request further evidence that the address given is the normal weekday address of the Candidate. Where fraudulent or deliberately misleading or incorrect information has been supplied and that information has led to a place being offered which would not otherwise have been offered, the Admissions Committee reserves the right to withdraw the offer.

Waiting List

In the event of places at the School being oversubscribed, a waiting list will be maintained at least until the end of the first term of the 2018/2019 academic year. Unsuccessful Applicants who wish Candidates to be placed on the waiting list must contact the school to request this. Candidates will not be ranked on the waiting list. Their ranking will only be established, in the order determined by the over-subscription criteria stated above, if and when a vacant place arises. Girls who are the subject of a direction by the Local Authority to admit or who are allocated to the School in accordance with a Fair Access Protocol will take precedence over any girl already on the waiting list.

Applications for places other than for Year 7 in September 2018

Those applying for admission outside the normal admissions cycle - for example, those moving into the area in the course of the year - will be considered under the same criteria as those applying for entry at the usual time. All such applications must be made initially to the Local Authority in which the Applicant lives.

Appeals

Anyone applying under any of the provisions of this policy who is not offered a place at the School will be advised of the process for appeal to the Independent Appeal Panel.

Submission of Incorrect Information

In the event that it is discovered that an Applicant has submitted information which is later found to be incorrect, this may result in the refusal of the School to offer a place to the child. If a place has already been offered on the basis of incorrect information the School may withdraw the offer.

APPENDIX 4

APPLICATION OF OVER-SUBSCRIPTION CRITERIA

Coloma Convent Girls' School is a voluntary aided, all-ability Catholic school for girls. Each year the Governing Body acting through its Admissions Committee offers places to 150 pupils at age 11 without regard to aptitude or ability. Where applications exceed the number of places available the Admissions Committee will apply the over-subscription criteria stated in the Admission Policy to establish an order in which places will be offered to Candidates. To facilitate this, a points system has been implemented.

Points to measure Catholic practice are allocated as follows:

1. Sacrament of Baptism (maximum 10 points)		
Baptism within 6 months of birth	10	
Baptism after 6 months of birth	5	
2. Sacrament of First Holy Communion (maximum 6 points)		
Has received the Sacrament by date of application	6	
3. Frequency of Mass Attendance (maximum 20 points)		
If attendance is of less than 4 years' duration, points will be halved		
(a) Candidate		
Attendance at Mass weekly	10	
Attendance at Mass 2 or 3 times per month	4	
Attendance at Mass monthly	2	
Attendance at Mass less than monthly	1	
(b) Applicant		
Attendance at Mass weekly	10	
Attendance at Mass 2 or 3 times per month	4	
Attendance at Mass monthly	2	
Attendance at Mass less than monthly	1	
Maximum points available under the above four categories		36

In all areas points are assigned as objectively as possible taking into account all information supplied. Individual circumstances and difficulties are also taken into consideration, if sufficient detail and documentation is given. With the exception of adoption and the reception of the applicant into the Church after the candidate's birth, the Governors will take account of factors which delayed a candidate's baptism ONLY if this was as a result of events which were entirely beyond parental control and NOT a matter of parental choice. Examples of circumstances beyond parental control include the death/serious illness of the candidate's parent/sibling, serious illness of the candidate, delay caused by the parish, (civil) wars, domestic abuse and care proceedings. The applicant must explain what events delayed the baptism and must provide written evidence from a priest or other person acting in a professional capacity which fully corroborates the reasons for the delay.
