

**Coloma Convent Girls' School
Covid Catch Up - Expenditure**

Total allocation: **£63,520**

From initially monitoring the academic progress and access to remote learning we initially focused on academic catch up (NTP). The NTP was completed in Summer 2021 and was monitored by a specialist teacher. As we returned to normal it became clear that the catch up funding was needed in order to respond to the whole child specifically, resilience and anxiety which are proving to be significant barriers to learning.

NTP (National Tuition Programme) 2021	£9647.56 (£8271.46 2020-21 and £1,004.50 + £371.60 2021-22)
Counselling Place2Be* 2021-2022	£37,872.44
Claire Harrison - Inclusion Support	£16,000
